

Torridon Activities

Based at the Torridon Hotel (our fellow Green Tourism award holders in Torridon) - they have a multitude of different activities. If you are joining them at short notice then they may well already have an activity planned for the day so be prepared to slot in with what they are doing.

“Discover adventure and explore the wilderness at Torridon Activities - one of the best multi-activity providers in Scotland. Let the professionalism, enthusiasm and commitment of our fully qualified and professional instructors and guides lead you into some of the best that the Torridon outdoors has to offer.

Torridon Activities is located at foot of Liathach and the shores of Torridon with some of the best walking, mountaineering, rock climbing, and kayaking anywhere in the UK. We pride ourselves on making the outdoors accessible to anyone and cater for the novice to the expert, offering fun and tuition to develop their skills.

Activities provided include mountain guiding, rock climbing, gorge scrambling, guided glen walks, archery, clay pigeon shooting and mountain biking.

All sessions, holidays and courses are run by fully qualified professional instructors who have a passion for their sport. Our aim is to inspire, encourage and develop people to return to the hills and the water safely; and not just in the Torridon area.”
